Privacy Policy

Welcome to Social Impact Techo Limited and our website at www.si-techno.io (our “website”). At Social Impact Techno, we are committed to protecting and respecting your privacy.

This Privacy Policy sets out the basis on which we will process any Personal Data that we may collect about you as a visitor to our website or our customers or potential customers, or other business partners, or in any other cases where we specifically state that this policy will apply. This policy further sets out how we protect your privacy and your rights in respect of our use of your Personal Data.

WHAT IS PERSONAL DATA?

Personal Data is information that makes it possible to identify a natural person. This includes, in particular, your name, date of birth, address, telephone number, and email address, but also your IP address. Anonymous data exists if no personal reference to the user can be made.

WHAT IS PROCESSING?

"Processing" means and covers virtually any handling of data.

WHAT LAW APPLIES?

We will only use your Personal Data in accordance with the UK General Data Protection Regulation ("UK GDPR"), the Data Protection Act 2018 and, where applicable, the EU General Data Protection Regulation ("GDPR").

WHO IS THE DATA CONTROLLER?

A “data controller” is a person or organisation who alone or jointly determines the purposes for which and the manner in which any personal data is, or is likely to be, processed. In this sense, Social Impact Technology Ltd (“Social Impact Techno Limited”, “we”, “us”, “our”) is the data controller.

If you have any questions about this policy or about data protection at Social Impact Technology Ltd in general, you can reach us by email using info@si-techno.io.

WHAT ARE THE LEGAL BASES FOR PROCESSING PERSONAL DATA

In accordance with the DPA and the GDPR, we have to have at least one of the following legal bases to process your Personal Data: a) you have given your consent; b) the data is necessary for the fulfilment of a contract / pre-contractual measures; c) the data is necessary for the fulfilment of a legal obligation; or d) the data is necessary to protect our legitimate interests, provided that your interests are not overridden.

WHAT PERSONAL DATA DO WE COLLECT FROM YOU?

We may collect and process the following Personal Data about you:

a) Personal Data that you give us:

This is information about you that you give to us and in the context of our services, mainly when you correspond with us or when you fill in forms on our website or when you register.

When you contact us, the Personal Data we process typically includes, for example, your name, address, email address, and telephone number. This data is collected and processed exclusively for the purpose of contacting you and processing your request and then deleted again, provided that there is no legal obligation to retain it. The legal basis for processing is our legitimate interest, the provision or initiation of a contract, and your consent.

We process Personal Data required to administer investment enquiries, investor onboarding and associated investment activities, as well as the data that you also provide to us voluntarily; for example, we have to ask for your name, e-mail address and residence address. The processing of this Personal Data is necessary for investor onboarding and investment administration purposes. We process this data insofar as it is necessary for the processing of your investment application. The legal bases for processing are contract and your consent.

By joining our platform, you are giving your consent to receiving platform internal communications, notifications, and messages. Those typically include administrative information relating to your investment. Our internal communications, notifications, and messages are designed to serve as reminders or helpful tips enhancing your experience. The legal basis is your consent.

We process the Personal Data that arises when you use our platform services. In particular, this requires you to join our server and community on secure digital communication channels. If you contact or connect with us via secure digital communication channels, we and secure digital communication channels are jointly responsible for the processing of your data and enter into a so-called joint controller agreement. The legal basis is our legitimate interest, your consent, or in some cases, the initiation of an investment application.

We store and process information that you provide as part of an investment primarily for the purpose of administering investment transactions and associated investor activities. Your investment may be processed through our authorised investment platform or digital investment infrastructure provider, and we have no access to any Payment Data you may submit. The data collected is required for administering the investment process. The user's email address is required to confirm receipt of the investment contribution. The data will not be used for any other purpose. The legal basis for the provision is the handling of the investment contribution (contract).

Certain investment activities may utilise secure digital investment infrastructure providers. Any processing undertaken by such providers will be subject to their respective privacy policies, applicable laws and investment documentation.

b) Personal Data that our website and other systems collect about you:

If you visit our website, it will automatically collect some information about you and your visit, including the Internet protocol (IP) address used to connect your device to the Internet and some other information, such as the pages on our site that you visit. This is used to monitor the performance of the website and improve the experience of visitors to the website.

The hosting services used by us for the purpose of operating our website is Ionos. In doing so, Ionos processes inventory data, contact data, content data, usage data, meta data and communication data of customers, interested parties, and visitors of our website and services, on the basis of our legitimate interests.

We use the Content Management System (CMS) of the open-source publishing platform WordPress.Org to publish and maintain the created and edited content and texts on our website. This means that all content and texts submitted to us are transferred to WordPress, and that your contact and contract data and your usage data are stored on Ionos' servers. The legal basis for this processing is our legitimate interest.

Lastly, we analyse the data we have on web and server traffic patterns, website interactions, browsing behaviour, etc. The analyses serve us alone and are not disclosed externally and processed using anonymous analyses with summarised and/or anonymised values ("Aggregated Data"). Aggregated Data could be derived from your Personal Data but is not considered Personal Data in law as this data will not directly or indirectly reveal your identity. However, if we combine or connect Aggregated Data with your Personal Data so that it can directly or indirectly identify you, we treat the combined data as Personal Data which will be used in accordance with this Privacy Policy. The legal basis is our legitimate interest and your consent. For further information, please refer to our Cookie Policy.

c) Cookies

We use so-called cookies on our website. Cookies are pieces of information that are transmitted from our web server or third-party web servers to your web browser and stored there for later retrieval. Cookies may be small files or other types of information storage. As set out in the UK's Privacy and Electronic Communications Regulations ("PECR") and the EU`s Privacy and Electronic Communications Directive ("PECD"), we need to obtain consent for the use of non-essential cookies. The legal basis for the use of essential cookies is our legitimate interest, and the legal basis for the use of non-essential cookies is your consent. For further information on the cookies we use, please refer to our Cookie Policy.

Our website also uses a cookie consent tool to obtain your consent to the storage of cookies and to document this consent. When you enter our website, the following Personal Data is transferred to us: i) Your consent(s) or revocation of your consent(s); ii) Your IP address; iii) Information about your browser; iv) Information about your device; v) Time of your visit to our website. The legal basis for processing is both your consent and our legal obligation.

OTHER USES OF YOUR PERSONAL DATA

We may also collect, store, and use your Personal Data for the following purposes:

- to operate, manage, develop, and promote our business and, in particular, our relationship with you and related transactions, including, for example:
    - marketing purposes (when we have either gathered prior opt-in consent and/or have a legitimate interest to send you communications which we believe to be relevant and of use to you);
- to operate, administer, and improve our website and other aspects of the way in which we conduct our business;
- to offer you our services;
- to provide you with services or information that you may have requested; and
- to keep you informed and updated on relevant topics or services you may be interested in.
- to protect our business from fraud, money laundering, breach of confidence, theft of proprietary materials, and other financial or business crimes;
- to comply with our legal and regulatory obligations, bring and defend legal claims and assert legal rights; and
- if the purpose is directly connected with an assigned purpose previously made known to you.

We will only process your Personal Data as necessary so that we can pursue the purposes described above and where we have a legal basis for such processing. Where our lawful basis for processing is that such processing is necessary to pursue our legitimate interests, we will only process your Personal Data where we have concluded that our processing does not prejudice you or your privacy in a way that would override our legitimate interest. In exceptional circumstances, we may also be required by law to disclose or otherwise process your Personal Data.

CHANGE OF PURPOSE

We will only use your Personal Data for the purposes for which we collected it as detailed above, unless we reasonably consider that we need to use it for another reason and that reason is compatible with the original purpose. If we need to use your Personal Data for an unrelated purpose, we will notify you, and we will explain the legal basis which allows us to do so.

DATA SHARING

In certain cases, it is necessary to transmit the processed Personal Data in the course of data processing. In this respect, there are different recipient bodies and categories of recipients.

a) Internal

If necessary, we transfer your Personal Data within Social Impact Technology Ltd. Access to your Personal Data is only granted to authorised employees who need access to the data due to their job, e.g., to provide our services or to contact you in case of queries.

b) External bodies

Personal Data is transferred to our service providers in the following instances:

- in the context of fulfilling our contract with you,
- to use marketing services and to advertise our services online,
- to communicate with you,
- to provide our website, and
- to state authorities and institutions as far as this is required or necessary.

c) International transfers

We may transfer your Personal Data to other companies as necessary for the purposes described in this Privacy Policy. In order to provide adequate protection for your Personal Data when it is transferred, we have contractual arrangements regarding such transfers. We take all reasonable technical and organisational measures to protect the Personal Data we transfer.

MARKETING

Insofar as you have given us your consent to process your Personal Data for marketing and advertising purposes, we are entitled to contact you for these purposes via the communication channels you have given your consent to. Our marketing generally takes the form of email but may also include other less traditional or emerging channels. These forms of contact will be managed by us, or by our contracted service providers. Every directly addressed marketing sent by us or on our behalf will include a means by which you may unsubscribe or opt out.

LINKED SITES

For your convenience, our website may contain hyperlinks to other websites. We are not responsible for the privacy practices of linked websites or companies that are not owned or controlled by us, and this Privacy Policy does not apply to them. The links on our website may collect additional information in addition to the information we collect.

We do not endorse any of these linked websites, their products, services, or any content on their websites. We encourage you to read the privacy policies of each linked website you visit to understand how the information collected about you is used and protected.

SOCIAL MEDIA

We are present on social media based on our legitimate interest. If you contact or connect with us via social media, we and the relevant social media platform are jointly responsible for the processing of your data and enter into a so-called joint responsibility agreement. The Personal Data collected when you contact us is used to process your request, and the basis for this is both your consent and our legitimate interest.

HOW LONG DO WE KEEP YOUR PERSONAL DATA?

We will delete your Personal Data when we no longer need such Personal Data, for instance, where:

- it is no longer necessary for us to retain your Personal Data to fulfil the purposes for which we had collected it;
- we believe that your Personal Data that we hold is inaccurate; or
- in certain cases where you have informed us that you no longer consent to our processing of your Personal Data.

Sometimes, however, there are legal or regulatory requirements which may require us to retain your Personal Data for a specified period, and in such cases we will retain your Personal Data for such specified period; and we may need to retain your Personal Data for certain longer periods in relation to legal disputes, and in such cases, we will retain it for such longer periods to the extent required.

DATA SECURITY

Our website uses SSL or TLS encryption to ensure the security of data processing and to protect the transmission of confidential content, such as orders, login data or contact requests that you send to us. We have also implemented numerous security measures ("technical and organisational measures"), for example, encryption or need-to-know access, to ensure the most complete protection of Personal Data processed through our website.

YOUR RIGHTS AND PRIVILEGES

Privacy rights

You can exercise the following rights:

- The right to access;
- The right to rectification;
- The right to erasure;
- The right to restrict processing;
- The right to object to processing;
- The right to data portability;

Update your information and withdraw your consent

If you believe that the information we hold about you is inaccurate or request its rectification, deletion, or object to legitimate interest processing, please do so by contacting us.

Access Request

In the event you want to make a Data Subject Access Request, please contact us. We will respond to requests regarding access and correction as soon as reasonably possible. Should we not be able to respond to your request within thirty (30) days, we will tell you why and when we will be able to respond to your request. If we are unable to provide you with any Personal Data or to make a correction requested by you, we will tell you why.

Complaint to a supervisory authority

The Information Commissioner's Office (ICO) is the UK`s authority in matters of data protection. You have the right to make a complaint at any time to the ICO (www.ico.org.uk). We would, however, appreciate the chance to deal with your concerns before you approach the ICO in the first instance.

Data Breaches and Notification

Databases or records containing Personal Data may be breached accidentally or through unlawful intrusion. As soon as we become aware of a data breach, we will notify all affected individuals whose Personal Data may have been compromised, and the notification will be accompanied by a description of the measures that will be taken to repair the damage caused by the data breach. Notifications will be sent as soon as possible after the violation is discovered.

What we do not do

We do not request Personal Data from minors and children without obtaining parental or legal guardian consent;

- We do not sell your Personal Data;
- We do not process Special Category Data without obtaining prior specific consent; and
- We do not use automated decision-making, including profiling.

DOES THIS POLICY CHANGE?

We may update this policy from time to time. This might be for a number of reasons, such as to reflect a change in the law or to accommodate a change in our business practices and the way we use cookies. We recommend that you check here periodically for any changes to this policy. This policy was last updated on Wednesday, 11th November 2026.

WHO SHOULD I CONTACT FOR MORE INFORMATION?

If you feel that the above is not sufficient or if you have any queries as regards the collection, processing, or use of your Personal Data, we are looking forward to hearing from you. We will make every effort to reply as soon as possible and take into consideration any suggestions from your end.

Cookie Policy

Welcome to Social Impact Techno Limited and our website at www.si-techno.io (our “website”). www.si-techno.io uses cookies to remember your preferences and help you obtain the right information. Cookies also allow us to see how our website is being used.

www.si-techno.io is operated and maintained by Social Impact Techno Limited (“Social Impact Techno Limited”, “we”, “us”, “our”). If you want to contact us or if you have any questions, you can reach us by email using info@si-techno.io.

WHY DO WE HAVE A COOKIE POLICY?

This Cookie Policy sits in line with our obligations set out in the UK`s Privacy and Electronic Communications Regulations ("PECR") and the EU's Privacy and Electronic Communications Directive ("PECD"). In accordance with them, we need to inform you about the cookies we use and obtain your consent when using certain types of cookies, namely functional, performance, analytical, and advertising cookies.

WHAT ARE COOKIES?

A cookie is a small text file that is sent to your device's hard drive by a website. Each time you return to the same website, your browser retrieves and sends the relevant cookie(s) to our website's server.

COOKIE ACCEPTANCE

By using our website after accepting the cookie notice that appears when you first visit our website, or by browsing our website after having been presented with this notice, you agree to the placement of cookies on your computer in accordance with the terms of this policy.

HOW ARE COOKIES USED?

Cookies used by us are stored on your device for a maximum period of 2 years from the date when they are initially installed or if they are subsequently updated, from the date of the update. Cookies can be divided into the following two broad categories:

Technically necessary cookies (Essential)

Technically necessary cookies are required for our website to function properly; they enable you to navigate our website efficiently and use its functional features.

Technically non-essential cookies

Analytical/Performance Cookies

These cookies allow us to measure and report on website activity by tracking page visits, visitor locations, and how visitors move around our website. The information collected does not directly identify visitors. We place these cookies to help us analyse that data.

Marketing/Advertising Cookies

Marketing cookies help us provide you with personalised and relevant services or advertising and track the effectiveness of our digital marketing activities. They are capable of tracking your browser across other websites and building up a profile of your interests. This may impact the content and messages you see on other websites you visit.

HOW TO MANAGE COOKIES

In your browser

You also can manage your cookies preferences using the following links for some of the most popular internet browsers: Edge, Google Chrome, Firefox, Safari, Opera.

Cookie preference pop-up

We also offer a cookie preference pop-up when you first visit our website. This pop-up is a consent tool and allows you to specify your preference about cookies. You can accept or reject them or access this cookie policy before giving your consent to cookies or rejecting them.

DOES THIS POLICY CHANGE?

We may update this policy from time to time. This might be for a number of reasons, such as to reflect a change in the law or to accommodate a change in our business practices and the way we use cookies. We recommend that you check here periodically for any changes to this policy. This policy was last updated on Tuesday, 9th of February 2026.
